Drama

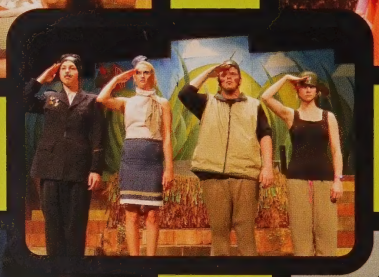
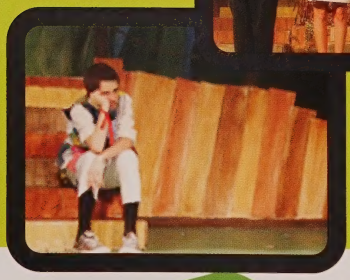
Miscellaneous was this year's first production; put on by Mr. Russel's second period drama class. The show was written and directed by Kevin Russell himself. The show was an instant hit. It brought the drama department a whopping $1,400 in one night and nearly sold out. The show involved students doing dance numbers, monolougues, and had the audience laughing all the way through.



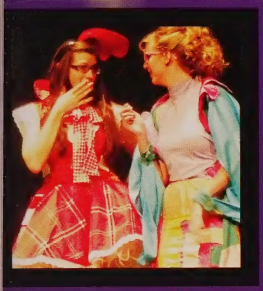


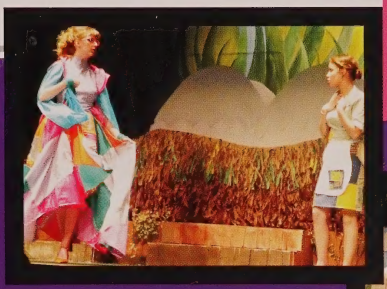
Honk! Jr. was a children's musical/parody of the "Ugly Duckling". It was this year's spring production. Mr. Russell cast open auditions for the whole school to be a part of the play. This musical was a hit with all ages. With the murals on the wall, and costumes– it felt as if you were really in the swamps and a part of the play. From the jumping frog, to the fierce feline, and the group of ducklings who weren't outcasts– this play was remarkable and involved many students singing and dancing. It was a hit in the newspapers and on the schools website. The drama department did a wonderful job!

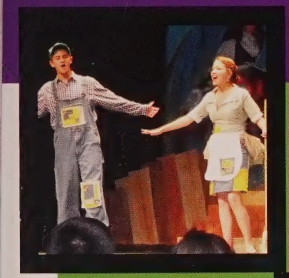
"Acting deals with very delicate emotions. It is not putting up a mask. Each time an actor acts, he or she does not hide; they expose themselves."
- Jeanne Moreau

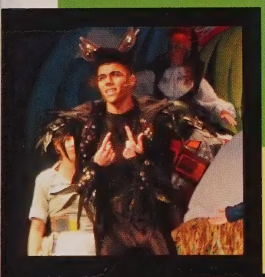
"Acting is not being emotional, but being able to express emotion."
- Kate Reid

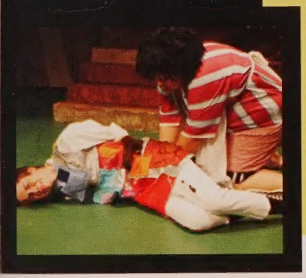
Honk! Jr.











"Without wonder and insight, acting is just a trade. With it, it becomes creation."
- Bette Davis

"Conflict is what creates drama. The more conflict actors find, the more interesting the performance."
- Michael Shurtleff

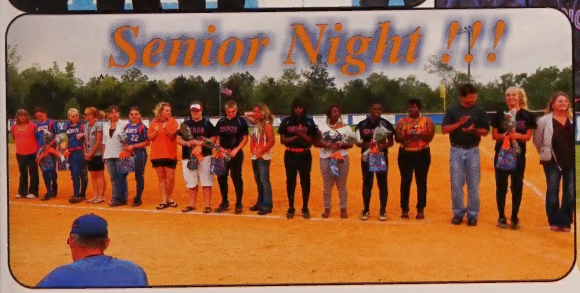
The Fantastic 5 !!!

Senior Night !!!



Take me out to the ball game
Take me out to the crowd
Buy me some peanuts and crackerjacks
I don't care if I never get back
For it's root, root, root for the home team
If they don't win it's a shame
For it's one, two, three strikes
You're out! At the old ballgame!

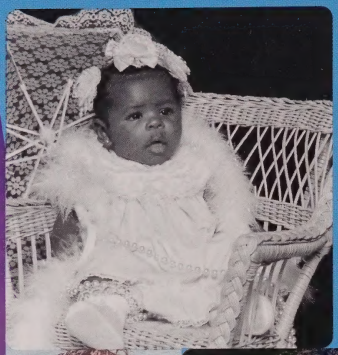
Diaper days Answer Key

Carliesha Lakeiah Jones



Where the time has gone. On April 29th God's Gift to me was a healthy baby girl and what a handful you were. Now you have grown to be a beautiful, strong mined young lady with high goals in life. As you strive to reach your goals remember when things get hard you can always depend on the Man above and your family. I'am so proud of you and this great milestone you have accomplished. Continue this greatness in your future. And remember that we love you forever and always.

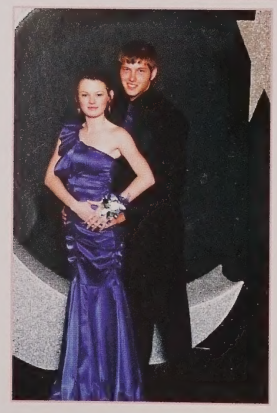
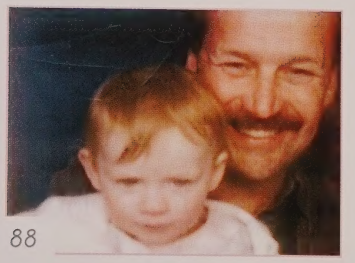
Haley,
You have grown from a gorgeous babe to a beautiful young lady. I'm so proud of your accomplishments in life so far. I can't wait to see what the future holds for you. Hang in there with your strong will and determination and there is nothing you can not accomplish. I will love you forever. Always remember there are consequences for your actions and treat people like you want to be treated.

Love,
Dad





Lillie Renee Adkins

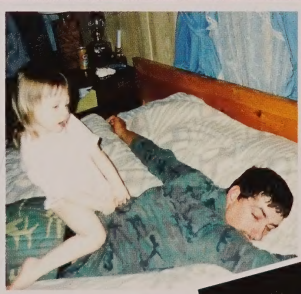
Lillie,

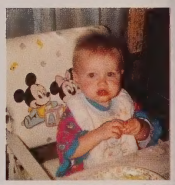
You'll always be mommy's little bird. 1993 was the beginning, one of God's most beautiful blessings in my life was placed into my arms. I'll never let you go. But now 2011 is the real beginning, to spread your wings. May you soar high on the wings of life and triumph over any adversity. Always know that we love you with all that is in us and you will always be in our hearts.

Dedicated to my baby girl,

Love, your mom & Chris

CONGRATULATIONS!





Loren Kelsey Brock
